

# QUARTZ CREEK CULVERT REPLACEMENT PROJECT NEWSLETTER

---

Paul Akehurst – Project Engineer  
Western Federal Lands Highway Division  
Federal Highway Administration

***JRT Construction, LLC***

For the week of September 12 to 16, 2016

## Completed Work:

The contractor completed the assembly of the arch pipe at station 45+19.25 and the back fill over the pipe. All instream work is completed in this pipe including the construction of streambed weirs.

The contractor completed the back fill and rip rap of the arch pipe at 36+22.77 and brought the road bed up to grade.

The main line road is now open to public traffic.

## Upcoming Work:

The contractor anticipates the following:

- Completing the back filling on both arch pipes.
- Placing rip rap on the 144-inch pipe at station 21+00.
